ORGANISED BY **HYDRAQUIP** SINCE 2010

**KARTING** *for*  
**HEROES**  
 CELEBRATE **COMMEMORATE** REALISE

# 10<sup>th</sup> ANNIVERSARY RACE

**THE EVENT:** KARTING for HEROES is a team event with up to 35 teams of between 3 and 6 drivers competing over a 3 hour long race at the Buckmore Park circuit.

**THE TEAMS:** Teams are made up of all abilities from absolute novices to enthusiastic and competitive drivers with a minimum age of 16 years.

**ENTRY FEE:** The cost to enter a team is £372 (inc vat)

**FUNDING:** The event raises money for Help for Heroes from the entry fees (less costs), donations of prizes for the K4H post-race auction, cash donations and time and services offered by individuals and companies.

**SUPPORTERS:** Karting for Heroes has been solidly supported since 2010 by various individuals and companies who have entered a team, donated items or offered their time and expertise over the years.

## GET INVOLVED WITH K4H '10

As with any event we rely on the generosity of our supporters which is gratefully appreciated by myself and Help for Heroes alike. Anyone can get involved either on or off track with all offers of assistance welcome. By entering a team your contribution will help make a difference to the lives of sick or injured military personnel through the excellent work of Help for Heroes. Even if you are unable to enter or offer everyone is welcome on the day to come and support the event.

I would personally like to thank everyone who has helped over the years and enabled us to run such a fun event for such a worthy cause and look forward to seeing you again on the 11<sup>th</sup> May 2019. As with any charitable event money is important but what I have learnt by having teams of military veterans involved over the years is how much a difference such an event can make to individuals. For those of you who have been there you will know what I mean.

If you have any questions, suggestions or offers of help please get in touch.
