PROUD TO HAVE BEEN SUPPORTING HELP *for* HEROES SINCE 2010

Hi All,

Welcome to the February K4H flyer. As I may have previously mentioned once or twice before this year will be the tenth running of this annual event in support of Help for Heroes. Since we started in 2010 we have had some amazing support on and off track helping us raise in excess of £40,000 for the charity which is very much appreciated by myself and the charity.

Whilst we may not be their largest fund raiser the money we raise does make a difference as does just running the event – ask the guys from Mission Motorsport who have been coming along and participating in the fun for a few years.

So on behalf of everyone who has benefitted from what we do a massive *Thank You* to everyone who has participated, contributed or just even spread the word since 2010.

*Geoff*

## INVITATION

To all our friends, supporters & those we have not yet met, we would like you to come back again this year and help us **CELEBRATE** our 10<sup>th</sup>, **COMMEMORATE** our guys who put themselves after their country and **REALISE** that what we do does make a difference.

## FULL EVENT INFO & ENTRY FORM ON [K4H WEBSITE](#)

2018 was a first for K4H with the running of a kart with hand controls which allowed Mission Motorsport to include drivers who otherwise would not have been able to compete.

We are pleased to be able to confirm that we will have at least one kart with hand controls available again this year.

#K4H

When we first ran K4H in 2010 it seemed that the most important thing we did was raising money. The reality is quite different. Money does help but raising awareness for those of us who have never served and including those who have makes one hell of a difference too.
